LAW DIRECTOR – No Report

MAYOR

The Mayor reported that a meeting was held between the shippers utilizing the railroad and the ORWC. The Mayor reported that the meeting was productive and was for the purpose of obtaining input from the shippers relating to the search for the next rail service provider. The Mayor also informed the Council that the housing project which was to be the subject of a resolution from the previous meeting, has been delayed.

The Mayor also wished to congratulate the Girls' Basketball for their recent season and to remind the residents that the high school basketball tournaments are beginning. He took the opportunity to point out the amount of business brought in as a result of the basketball tournaments being held at the Jackson High School.

SAFETY/SERVICE DIRECTOR

The Service Director reported that the crews will begin cleaning the creeks. This comes after a recent slow down in creek cleaning due to the wet weather. The next area to be cleaned will be that of Little Salt Creek. Also, the work is scheduled to begin on the water plant electric line project. Finally, the Service Director reported a problem with signs being placed in the City's right of way. He requested the media inform citizens that the signs should be removed.
