PURPOSE OF MEETING

Mr. Brown said the purpose of the meeting was to correct Resolution 21-18.

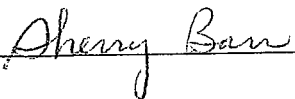

Mr. Kirby apologized to council for needing another meeting due to the error. He said there are different ways they can handle it. One option is to have the Council Clerk write in the correction. Another option is to ignore it and move on or they can do a new resolution to correct it.

Mr. Kirby said it is correct in the summary and this was the intent of council when they passed it was for the application for the grant for emergency power to the wastewater lift stations.

There was some discussion on which way they should proceed. It was decided to have the Council Clerk correct it.

Mr. Elliott made a motion to make the correction as follows: place a period after the word "above" and write in "The intent of council is to authorize the Mayor of the City of Jackson to file an application to O.P.W.C. District 15 Round 33 grant funding for a project to provide emergency power to all wastewater lift stations", seconded by Mr. Kitchen.

Mr. Aldrich made a motion to adjourn at 8:39 p.m., seconded by Mr. Kitchen. In a voice vote, all members agreed.
