RE: Ordinance Request

Please forward the appropriate paperwork to Jack Detty to prepare an Ordinance for the next City Council Meeting for additional appropriations as follows:

222-7610-54002	Equipment	\$13,500.56
----------------	-----------	-------------

These additional appropriations are needed to pay for a new Ferris mower for the Street & Alley Department. The money to purchase this mower comes from the proceeds of the recent auction the City conducted. Attached is the information about the mower they want to purchase.

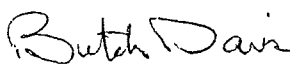

New Mower

Dept. – Street & Cemetery

Use – Mowing of fields at cemetery
Mowing of city lots on Freeman & Central av.(10 lots)
Mowing lots on High st.
Mowing Rail Road beds off Main st.
Mowing fields at Harding av. park
Along road side on Veterans dr.
Auger Bit at end of Central av.

Description – Heavy duty mower with a (72) inch cut. Mows 6.9 acres per hour. Heavy duty 300 ft/lb PTO clutch. 34 hp motor. Roll over protection system. 5 year commercial limited warranty.

Benefits – Built for rougher terrain. Larger motor allows for cutting of higher grass with no problems. Zero turn for better mobility. Larger deck combined with the larger motor and clutch will cut down on mowing time which in turn will cut the cost of man power in mowing time and allow for other job orders to be completed in a shorter time.
