DECISION & REASONING

The Ohio Department of Job and Family Services has ALLOWED the claimant's application for unemployment compensation benefits with a benefit year that begins 04/02/2006. During this one-year benefit period, the claimant's benefits rights are as follows:

Weekly Benefit Amount is:	\$375.00
Dependency Class is:	B
Total Benefits Payable Amount is:	\$9,750.00

The claimant's employment during the base period, 01/01/2005 to 12/31/2005 met the weeks and wages eligibility requirement. The chart below shows the employer's Total Amount Chargeable and Proportional Charge with each base period employer, which were used to determine the claimant's benefit rights.

<i>Employer Name</i>	<i>Total Amount Chargeable</i>	<i>Proportional Charge</i>
CITY OF JACKSON AUDITOR'S OFFICE	\$9,750.00	100.0000 %

The claimant was discharged by CITY OF JACKSON AUDITOR'S OFFICE on 04/02/2006. The employer discharged the claimant for violating a company rule. The employer failed to establish negligence or willful disregard of the rule on the part of the claimant. Ohio's legal standard that determines if a discharge is without just cause is whether the claimant's acts, omissions, or course of conduct were such that an ordinary person would find the discharge not justifiable. After a review of the facts, this agency finds that the claimant was discharged without just cause under Section 4141.29(D)(2)(a), Ohio Revised Code.

Allowed Application Definitions

Benefit Year Beginning Date - This date establishes the effective date of this application.

Weekly Benefit Amount - This is the amount of benefits potentially payable for a week of total unemployment. It represents fifty percent of the claimant's average weekly wage for all base period employment, not to exceed the amount specified in Section 4141.30(B), Ohio Revised Code, for the claimant's dependency.

Dependency Class - This designation is assigned in accordance with the schedule established by law and remains in effect for the benefit year.

Class A-1 - Indicates either that the claimant did not list any dependents or that one or more of his/her dependents has been disallowed for any of the following reasons:

- Identity of dependent(s) could not be verified;
- Amount of support contributed by the claimant does not meet requirements;
- Spouse's income exceeds requirement to qualify as a dependent;
- Child listed is not a birth child, step-child, or adopted child;
- Child listed is over 18 years of age with no physical/mental handicap.

Class A-2 - Indicates that the claimant's spouse has an overlapping benefit year with allowed dependents.

Class A-3 - Indicates that the claimant listed dependent(s), but base period wages were insufficient to qualify for a higher benefit amount.

Class B - Indicates one or two eligible dependents.

Class C - Indicates three or more eligible dependents.

Total Benefits Payable - This is the total amount of benefits that can be paid to the claimant during the benefit year. The total is computed by multiplying the weekly benefit amount by 20 (for the first 20 qualifying weeks in the base period), plus one times the weekly benefit amount for each additional qualifying week. Total benefits cannot exceed 26 times the weekly benefit amount.

Employer's Amount Chargeable - This is the amount of benefits that is potentially chargeable to each employer's account.

Employer's Proportion Charge - Employers are charged proportionally, based on the wages paid to the claimant by each employer during the base period. This amount is the percentage of the claimant's benefit entitlement that may be charged to each account.

Base Period Employment History - The base period includes the first four of the last five completed calendar quarters, prior to the benefit year beginning date. If the *Alternate Base Period* was used, the base period includes the four most recently completed calendar quarters prior to the benefit year beginning date.

Employer Name - All employers for whom the claimant worked during the base period are listed.

Total Base Period Wages - This figure reflects total earnings in the base period with the corresponding employer(s).

Total Qualifying Weeks - This is the number of weeks in the base period in which the claimant earned or was paid wages with the base period employers.
