Section 1. Definitions. The following definitions apply to the terms used herein:

"Authorized Officer" means the Auditor or any person designated for the purpose by the Auditor.

"Declaration of Official Intent" means a declaration of intent, in the form, manner and time contemplated in the Reimbursement Regulations, that the advances for expenditures referred to therein are reasonably expected to be reimbursed from the proceeds of Bonds to be issued after those expenditures are paid.

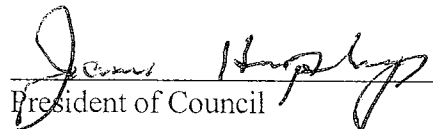

"Reimbursement" or "reimburse" means the restoration to the City of money temporarily advanced from its own funds and spent for Original Expenditures before the issuance of the Bonds, evidenced in writing by an allocation on the books and records of the City that shows the use of the proceeds of the Bonds to restore the money advanced for the Original Expenditure. "Reimbursement" or "reimburse" generally does not include the refunding or retiring of Bonds previously issued and sold to, or borrowings from, unrelated entities.

Section 2. Authorization and Requirement of Declarations of Official Intent. Each Authorized Officer is authorized to prepare and sign Declarations of Official Intent in substantially the form attached as Exhibit A with respect to Original Expenditures to which the Reimbursement Regulations apply, to be made from money temporarily advanced and that is reasonably expected to be reimbursed (in accordance with application authorizations, policies and practices) from the proceeds of Bonds, to make appropriate reimbursement and timely allocations from the proceeds of the Bonds to reimburse such prior expenditures, and to take any other actions as may be appropriate, all at the times and in the manner required under the Reimbursement Regulations in order for the reimbursement to be treated as an expenditure of such proceeds for purposes of Sections 103 and 141 to 150 of the Code. No advance from any fund or account or order for payment may be made for Original Expenditures (other than expenditures excepted from such requirement under the Reimbursement Regulations) that are to be reimbursed subsequently from proceeds of Bonds unless a Declaration of Official Intent with respect thereto is made within the time required by the Reimbursement Regulations.

Section 3. This Council finds and determines that all formal actions of this Council concerning and relating to the formal passage of this ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

Section 4. This ordinance is declared to be an emergency measure for the immediate preservation of the public interests of the City, and for the further reason that this ordinance is required to be immediately effective in order to permit the City to reimburse itself for the costs expended in anticipation of the issuance of bonds or notes; wherefore, this ordinance shall be in full force and effect immediately upon its passage.
