RE: Ordinance Request

Our office has received a request to forward the appropriate paperwork to Jack Defty to prepare an Ordinance for the next City Council Meeting for additional appropriations as follows:

731-7555-56001	Electric Fund: Transfer Out	\$500,000.00
----------------	-----------------------------	--------------

These additional appropriations are necessary to pay transfer funds from the electric fund to the Electric Construction Fund to cover additional costs relating to the Veterans Drive Substation Project.

This should be considered an emergency so that the contract can be awarded and work can begin on this project.
