RE: Ordinance Request

Our office has received a request to forward the appropriate paperwork to Jack Ditty to prepare an Ordinance for the next City Council Meeting for additional appropriations as follows:

405-7555-54005	Electric Construction Fund: Utility Distribution Systems	\$500,000.00
----------------	---	--------------

These additional appropriations are necessary to pay additional expenses relating to the Veterans Drive Substation Project.

This should be considered an emergency so that the contract can be awarded and work can begin on this project.
