

ORDINANCE NO. 29-07

AN ORDINANCE APPROVING ADDITIONAL APPROPRIATIONS IN THE WATER FUND, AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF JACKSON, STATE OF OHIO, as follows:

Section One. The original appropriation ordinance, as it relates to the Water Fund, is hereby modified so as to appropriate additional moneys as follows:

FUND	CATEGORY	AMOUNT	AMENDED APPROPRIATION
WATER FUND	701-7510-53049 (Purchased Water Expense)	\$ 3,000.00	\$ 3,000.00

Section Two. This Ordinance is hereby declared to be an emergency Ordinance, necessary for the immediate preservation of the public peace, health or safety of the City of Jackson, in that it is necessary to modify the appropriations as soon as possible in order that the City may purchase water the City is purchasing and reselling to several customers, and for the further reason that the expense can be charged to the correct line item. Therefore, this Ordinance shall go into effect upon passage and approval by the Mayor, as provided in Ohio Revised Code Section 731.30.

Section Three. In the event this Ordinance receives a majority vote for passage but fails to receive the required number of votes to pass as an emergency, then this Ordinance shall be deemed to have passed but with no emergency clause and shall take effect at the earliest time permitted by law.

Section Four. It is hereby found and determined that all formal actions of this Council relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that the deliberations of this Council that resulted in such formal actions were in a meeting open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

RE: Ordinance Request

Our office has received a request to forward the appropriate paperwork to Jack Deby to prepare an Ordinance for the next City Council Meeting for additional appropriations as follows:

701-7510-53049	Water Fund: Purchased Water Expense	\$3,000.00
----------------	-------------------------------------	------------

These additional appropriations are necessary to pay for water that the City is purchasing and reselling to several customers.

This should be considered an emergency if possible so that the expense can be charged to the correct line item.

I think \$3000.00 would be a fair estimate of charges for the year. Thanks, Steve R.

Donovan,

Steve Riegel was just in and needs to have a line item set up on the water fund to account for the purchase of water from Jackson Co. Water to supply several customers that are City customers.

The new line item would be: 701-7510-53049 Purchased Water Expense

You would need to decide if you want to move appropriations that are currently in place or if you want to ask for additional appropriations.

Let me know which you prefer to do and if you want to move appropriations, I'll need the line item that you want to move it from.

Thanks,  
Wendy
