Subject: RE: Prisoner Expenses and Prisoner Medical Expenses

Donovan,

Donovan we are going to close out 4 jail's purchase orders and re-open them with lesser amounts (see 1). Thanks to the new Scioto Jail contract we are now using them allot more which reduces the use of the other facilities. Please keep in mind that this can change at anytime as we have 446 + active warrants at the time plus arrests that may be made on a daily basis.

Medical expenses are unpredictable as we are currently housing 24 prisoners, 2 of which are on ankle monitors and we have six prisoners that have been pre-scheduled and are waiting to be house.

We need \$52,800.00 (see 2) added to jail fund and \$1,960 (see 3) added to the contractual fund. Amounts do not include unforeseen medical expenses.

1. Bonnie is closing out 4 P.O.'s for jails putting funds back into jail fund which will bring the account up from \$6,790.28 to \$14,772.28 this should help pay the \$11,808.18 now due for the medical surgery. We anticipate another \$700.00 bill regarding this same incident. We should have enough money in the account to cover the additional cost. We now have another prisoner that has been taken to Adena twice and Holzer E.R. once, it is unknown at this time how much that will cost.

10/15/2007

Amount Closed	Jail	# prisoners
3,315.00	Pickaway	1
1,647.00	Washington	0
2,500.00	Clinton	0
400.00	Highland	0
7,862.00	Total back into account	

2. Purchase orders for the following are being requested and we will need **\$52,800.00** added to the jail fund to cover this. At best this is the minimum amount needed and does not include any unforeseen medical expenses.

Jail	September	October	November	December	
Scioto	10,000	10,000	10,000	10,000	40,000
Ashland	1,000	1,000	1,000	1,000	4,000
Ross	1,000	1,000	1,000	1,000	4,000
Highland	300	300	300	300	1,200
Pickaway	300	300	300	300	1,200
Clinton	300	300	300	300	1,200
Washington	300	300	300	300	1,200
	13,200	13,200	13,200	13,200	52,800 TOTAL

3. We need **\$1,960.00** moved into the contractual account to cover one person's participation in the ankle monitor program. This does not include anyone else that may be placed in the ankle monitor program.
