## ORDINANCE NO. 168-07

AN ORDINANCE APPROVING ADDITIONAL APPROPRIATIONS IN THE SEWER FUND, AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF JACKSON, STATE OF OHIO, as follows:

**Section One.** The original appropriation ordinance, as it relates to the Sewer Fund is hereby modified so as to appropriate additional moneys as follows:

FUND	CATEGORY	AMOUNT	AMENDED APPROPRIATION
SEWER FUND	711-7525-53050 (Judgments & Claims)	\$ 25,000.00	\$ 215,500.00

**Section Two.** This Ordinance is hereby declared to be an emergency Ordinance, necessary for the immediate preservation of the public peace, health or safety of the City of Jackson, in that it is necessary to modify appropriations immediately so that fines incurred by the City under the terms of the Consent Decree can be paid in a timely manner to avoid additional penalties. Therefore, this Ordinance shall go into effect upon passage and approval by the Mayor, as provided in Ohio Revised Code Section 731.30.

**Section Three.** In the event this Ordinance receives a majority vote for passage but fails to receive the required number of votes to pass as an emergency, then this Ordinance shall be deemed to have passed but with no emergency clause and shall take effect at the earliest time permitted by law.

**Section Four.** It is hereby found and determined that all formal actions of this Council relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that the deliberations of this Council that resulted in such formal actions were in a meeting open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

RE: Ordinance Request

---

Our office has received a request to forward the appropriate paperwork to Jack Detty to prepare an Ordinance for the next City Council Meeting for additional appropriations as follows:

711-7525-53050	Sewer Fund: Judgements & Claims	\$25,000.00
----------------	---------------------------------	-------------

These additional appropriations are necessary to pay the upcoming EPA Fines for several incidents that have occurred.

This should be considered an emergency so that the fines can be paid promptly and to comply with the current consent order between the City and the EPA.
