RE: Ordinance Request

Our office has received a request to forward the appropriate paperwork to Jack Detty to prepare an Ordinance for the next City Council Meeting for additional appropriations as follows:

751-7315-53064 Pool Nature Works Grant Fund: Project Expense \$3,597.27

These additional appropriations are necessary to pay for repairs at the pool. This fund was used years ago for a grant that the City received for work at the pool. The money that is left in this fund was the City's portion that wasn't required for the project.

This should be considered an emergency so that the repairs can be scheduled and completed promptly.
