RE: Ordinance Request

Our office has received a request to forward the appropriate paperwork to Jack Detty to prepare an Ordinance for the next City Council Meeting for additional appropriations as follows:

110-7715-52010	General Fund: Auditor's Office: Salaries & Wages	\$4,500.00
110-7715-52012	General Fund: Auditor's Office: P.E.R.S.	\$1,000.00
110-7715-52020	General Fund: Auditor's Office: Medicare	\$2,500.00

These additional appropriations are necessary to adjust the amounts budgeted for personal services. These figures were estimates when the permanent budget was being prepared at the beginning of the year since contracts weren't completely settled and insurance premiums weren't known at the time the budget was prepared. Rather than go back and re-work the entire budget document before it was adopted, it was indicated to Council that revisions to personal services would probably be necessary later on in the year when the actual numbers would be known.

This should be considered an emergency so that personal service expenses can be paid timely as incurred and as per union contractual agreements.
