NOW THEREFORE, in exchange of mutual consideration, which AMP-Ohio, Signatory and other Participants acknowledge the sufficiency and receipt of, the Parties agree as follows:

Article I – AMP-Ohio Functions

1.1 AMP-Ohio, acting as Agent on behalf of the Participants, organizes and assists in the operation of the Mutual Aid Program to allow for the exchange of assistance between AMP-Ohio members during times of an Emergency. Trustees; maintains current information of the Mutual Aid Sector Coordinators; and distributes Mutual Aid Sector Coordinators and Participants' information to the Signatory.

The purpose of the Mutual Aid Committee is to provide oversight of the Mutual Aid Program through the creation and implementation of policies and procedures for governing the operation of the Mutual Aid Program.

Article II – Signatory Responsibilities

2.1 The Signatory and other Participants shall provide AMP-Ohio with the name or names of employees that can be contacted by a requesting municipality seeking aid and any other information deemed necessary by AMP-Ohio to facilitate the Mutual Aid Program. At a minimum, the information provided shall include information as to how to contact the employee or employees of the Signatory that have responsibility and authority to respond to a request for aid, twenty-four (24) hours a day/seven (7) days a week. AMP-Ohio maintains a list of each Signatory's contact information. It shall be the responsibility of each Signatory to provide AMP-Ohio with the most update and current contact information. Each Signatory shall be responsible for notifying AMP-Ohio of any changes, revisions or alterations to the Signatory's contact information. AMP-Ohio shall distribute each Signatory's contact information to all Participants.

2.2 The Signatory and Participants shall be organized into sectors based upon the geographical locations of the Participants. The Participants shall appoint a Mutual Aid Sector Coordinator for each sector. The Mutual Aid Sector Coordinator shall be an employee of one of the Participants from the respective sector. The Mutual Aid Sector Coordinator shall be responsible for assisting a Requesting Municipality in obtaining the requested aid from other Participants as set forth below. The Mutual Aid Sector Coordinator shall be considered within the scope of his/her employment when providing the services set forth in this Agreement.

Article III – Requesting and Providing Aid

3.1. When a Signatory is experiencing an Emergency, the Signatory may request (herein "Requesting Municipality") aid from other Participants in accordance with the terms and conditions of this Agreement. The determination of the existence of an Emergency shall be in the sole discretion of the Requesting Municipality.

3.2. In order to receive aid, the Requesting Municipality shall first contact the Mutual Aid Sector Coordinator for the Requesting Municipality's respective sector. The Requesting Municipality shall provide the following information to the Mutual Aid Sector Coordinator:

- a. The nature of the Emergency;
- b. The type of aid being requested including estimates of the amount of manpower and equipment being requested
- c. An estimate of the length of time that such aid will be needed; and

- d. The sites where the aid is to be rendered along with a designated meeting place and designated contact person for the Requesting Municipality.

3.3. To the extent practical under the circumstances, such request shall be in writing and faxed to the Mutual Aid Sector Coordinator, otherwise, such information may be communicated by any means available. The Requesting Municipality shall follow up any oral request for aid, or otherwise confirm any request for aid, in writing as soon as reasonably practicable. The failure to follow up any oral request for aid with a written request shall not abrogate a Requesting Municipality's obligation to reimburse a Responding Municipality's costs incurred in providing such aid in accordance with the terms of this Agreement.

3.4. The Mutual Aid Sector Coordinator shall first contact Participants in the Requesting Municipality's sector to determine which Participants, if any, are capable of providing the Requesting Municipality with the requested aid. If no Participants in the respective sector are capable of providing the requested aid, then the Mutual Aid Sector Coordinator shall then contact other Mutual Aid Sector Coordinators in an effort to find other Participants who are capable of providing the requested aid to the Requesting Municipality.

3.5. In the event the Requesting Municipality is not successful in contacting the Mutual Aid Sector Coordinator for its respective sector, then the Requesting Municipality may contact a designated contact at AMP-Ohio. The Requesting Municipality shall provide the AMP-Ohio designated contact with the same information that the Requesting Municipality is to furnish to the Mutual Aid Sector Coordinator. AMP-Ohio then shall endeavor to contact various Participants in the Requesting Municipality's sector to determine which Participants, if any, are capable of providing the Requesting Municipality with the requested aid.

3.6. Upon receipt of a request for aid from a Mutual Aid Coordinator or AMP-Ohio, due to a corresponding request from a Requesting Municipality, a Participant shall, in its sole discretion, consistent with the proper operation and protection of its own electric generation, transmission and distribution system, determine whether it can spare the manpower and equipment to provide aid to the Requesting Municipality. A Participant providing mutual aid to a Requesting Municipality shall be known as a Responding Municipality.

3.7. The Signatory and Participants agree that the AMP-Ohio Mutual Aid Committee has the right to alter, amend, change or revise the procedures and/or protocols set forth above from time to time, as deemed necessary and appropriate by the AMP-Ohio Mutual Aid Committee, for the requesting and coordination of aid from other Participants. AMP-Ohio shall notify the Signatory and other Participants in writing whenever the AMP-Ohio Mutual Aid Committee alters, amends, changes or revises the procedures or protocols for requesting aid.

Article IV – Billing and Payment

4.1. The Requesting Municipality shall be obligated to provide, and the Responding Municipality shall be entitled to receive, reimbursement for the following expenses incurred by a Responding Municipality in the provision of requested aid:

- a. Labor and Equipment expenses: AMP-Ohio's Mutual Aid Committee shall establish by a unanimous vote the authorized reimbursement formula that establishes the expenses that a Responding Municipality is entitled to receive for labor and equipment provided by the Responding Municipality to a Requesting Municipality. The current authorized reimbursement formula for labor and equipment approved by the AMP-Ohio Mutual Aid Committee, is equal to the total number of man-hours expended rendering aid (including travel time) by employees of the Responding Municipality multiplied by the actual labor rate of those employees being paid by the Responding Municipality while engaged in the response to the request for aid, then multiplied by two (known as equipment factor). The current approved reimbursement formula shall be posted on the Mutual Aid Committee website which is www.wadsworthcity.com/depts/elect/ and then select mutual aid from the column on the right hand side of the screen; and
- b. Expended Materials expenses: A Responding Municipality shall be entitled to be reimbursed for the actual cost of materials and supplies expended in providing aid to the Requesting Municipality such as fuel, utility poles, supports, cross arms, insulators, wire, and the like used to restore utility service in the Requesting Municipality as well as travel expenses incurred in traveling to and from the site of the performance of such aid.

4.2 The Signatory and Participants agree that the AMP-Ohio Mutual Aid Committee has the right to alter, amend, change or revise the type and nature of expenses that are reimbursable and the formula for calculating reimbursable expenses set forth above from time to time, as deemed necessary and appropriate by the AMP-Ohio Mutual Aid Committee. AMP-Ohio shall notify the Signatory and other Participants in writing if the AMP-Ohio Mutual Aid Committee alters, amends, changes or revises the formula for reimbursement of labor and equipment expenses or materials and supplies expenses and post the revised formula on the Mutual Aid Committee website.

4.3 The format of the invoice from the Responding Municipality to the Requesting Municipality shall be in the format as set forth in Exhibit 1 attached hereto and incorporated by reference. The invoice shall show the labor rate for each employee who provided aid and the number of hours logged in providing aid. In addition, any materials and supplies billed shall be set out separately on the invoice. The Signatory and Participants agree that the AMP-Ohio Mutual Aid Committee shall have the right to revise or modify the form invoice from time to time as deemed necessary. AMP-Ohio shall notify the Signatory and other Participants in writing if the AMP-Ohio Mutual Aid Committee alters, amends, changes or revises the form of the invoice.

4.4. The Requesting Municipality shall promptly reimburse the Responding Municipality providing such aid within thirty (30) days of receipt of an invoice for the expenses set forth above from the Responding Municipality.

4.5. Each Signatory agrees that AMP-Ohio, the Mutual Aid Sector Coordinator, and the Municipality employing the Mutual Aid Sector Coordinator shall not be liable for any costs incurred by a Requesting Municipality or Responding Municipality arising out of the provision of any aid requested pursuant to this Agreement.

Article V – Miscellaneous

Any loss or damage to equipment of the Responding Municipality incurred while rendering such aid, or traveling to or from the site of such aid, which is not due to an intentional, reckless, or negligent act or omission of the Responding Municipality or its employees, shall be paid by the Requesting Municipality in an amount equal to the actual cost not covered by any applicable insurance.
