RE: Ordinance Request

Our office has received a request to forward the appropriate paperwork to Jack Detty to prepare an Ordinance for the next City Council Meeting for additional appropriations as follows:

732-7560-54005	Electric Replacement & Improv Fund: Utility Distribution Systems	\$635,000.00
----------------	---	--------------

These additional appropriations are needed to pay for the construction of the building at Lick Substation per Ordinance # 127-08. This Ordinance wasn't passed until 12/30/08 and wasn't signed by the Mayor until 1/7/09. The appropriations for this project were inadvertently left out of the temporary budget and need to be put in at this time to do the purchase order and proceed with the project.

This should be considered an emergency so that the project can proceed on schedule.
