Dear Jack,

I am calling for a special council meeting on Wednesday night at 6:20 p.m. to consider two ordinances regarding the pool.

I need one to set the daily pool admission at \$2 for those age 15 and under and \$3 for those 16 and older. The season pass will be \$60 for those 16 and older and \$35 for those 15 and under. Pool party prices will remain the same.

I also need an ordinance to create a position of assistant pool coordinator. This will be \$3000. Basically, I am eliminating those two, 700-hour positions that were used when we had a full-time recreation director. This person will assist the pool coordinator (which is me) in opening the pool each day, making sure the chemical levels are right and other duties as directed.

Let me know if you have any questions.

Thanks.  
Randy
