ORDINANCE NO. 12-17

AN ORDINANCE AUTHORIZING THE CITY TO ENTER INTO AN AGREEMENT BETWEEN THE CITY OF JACKSON, OHIO AND HUBER TECHNOLOGY, FOR A HUBER SCREEN AND PARTS, AND DECLARING AN EMERGENCY.

WHEREAS, the City of Jackson sewer treatment plant is in need of repair to its filter screen; and

WHEREAS, the screen is a proprietary part and is available only through Huber Technology, a sole source letter is attached hereto, and, as such, cannot be sourced elsewhere and any other replacement product will void any warranty on the system now in place and there is no purpose to be served by requiring the purchase be submitted to bid nor is this a matter that is amenable to the competitive bidding process; and

WHEREAS, it is necessary that the City replace or repair the screen for the continued use of the City sewer system and that the ability to do so constitutes an emergency and this action is necessary for the immediate preservation of the public peace, health, and safety of the City.

THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF JACKSON, STATE OF OHIO, as follows:

Section One. The Service Director is authorized to enter into an Agreement between the City of Jackson, Ohio, and Huber Technology, for the purchase or repair of a Huber screen in an amount not to exceed \$75,000 to be paid from line item 711-7525-54006.

Section Two. This Ordinance is hereby declared to be an emergency Ordinance necessary for the immediate preservation of the public peace, health, or safety of the City of Jackson, in that it is necessary to enter into this agreement as soon as possible. Therefore, this Ordinance shall go into effect upon passage and approval by the Mayor, as provided in Ohio Revised Code Section 731.30.

Section Three. In the event this Ordinance receives a majority vote for passage but fails to receive the required number of votes to pass as an emergency, then this Ordinance shall be deemed to have passed but with no emergency clause and shall take effect at the earliest time permitted by law.

Section Four. It is hereby found and determined that all formal actions of this Council relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that the deliberations of this Council that resulted in such formal actions, were in a meeting open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

PASSED AND ADOPTED by the Legislative Authority of the Political Subdivision on this 13th day of February, 2017.

President of Council

ATTEST:

Sherry Barr
Clerk of the Legislative Authority

Approved this 13th day of February, 2017.

Wastewater Plant

Subject: Sole Source Letter

Mike,

This letter serves as a sole source document for products manufactured by Huber SE, HydroPress Huber AB and Huber Picatech AG.

Huber Technology, Inc. based in Huntersville NC is the only vendor of ROTOMAT® Perforated Plate Screen and parts for the ROTOMAT® Perforated Plate Screen.

Replacements parts for the ROTOMAT® Perforated Plate Screen manufactured by Huber SE are unique in design based on more than 20 years of application experience. Material selection is critical for the life expectancy of these parts and your ROTOMAT® Perforated Plate Screen. The proper parts design and parts manufacture ensures the lowest possible life-cycle cost for your ROTOMAT®.

Huber Technology Inc. is a subsidiary of the original manufacturer, Huber SE and the only source for the parts in the United States and Canada. Any warranty on your ROTOMAT® membrane unit is void if non-factory parts are used.

To the best of our knowledge, no other vendor manufactures and distributes these or similar items. In addition to supplying spare parts for your ROTOMAT® Perforated Plate Screen, Huber Technology, Inc. also offers full service and repair services for your ROTOMAT® Perforated Plate Screen.

Please let me know should you need further details.

Yours faithfully,

Lindsay Barnes
