# CITY OF JACKSON

MEMORIAL BUILDING 145 BROADWAY ST. JACKSON, OHIO 45640  
(740) 286-3224 (740) 286-2201

## City of Jackson Public Announcement

### Announcing the Annual Spring Clean-up

The City of Jackson will be conducting its annual Spring Clean-up for residents within the city limits of Jackson during the week of April 20 – 24, 2020. The purpose of the Spring Clean-up is to pick up items not normally accepted on the normal garbage route. This annual event is also great opportunity to address Litter Control and Weed Control as identified under the Codified Ordinances for the City of Jackson. We are encouraging the residents and property owners to review the Codified Ordinances to understand their responsibilities, to avoid being contacted by the City.

Any items to be picked up should be placed with regular garbage by 6:30am on the regularly scheduled day. For appliances, call the Utility Office at 740-286-4419 to schedule pickup of these items.

We will not pickup tires, paint, hazardous chemicals or construction material. If you have questions regarding your pickup, please call 740-286-2923.

All furniture and bedding items with cloth coverings must be sealed with plastic and tape.
