

PUBLIC ANNOUNCEMENT

Monday – July 11, 2022

Please be advised that the City of Jackson, Water Distribution Wastewater Collection Department, will be flushing fire hydrants and conducting valve exercising starting Monday, July 11th, 2022. This should last approximately four (4) weeks.

Flushing will begin south of South Street and will work toward the north part of the city.

Citizens should make sure their water is clear before they wash any white clothing, as discoloration may occur; this is only temporary. Water will be safe to use at all times.
