Memo

TO: All Area Media

FROM: Steve Riegel
Superintendent of Water Distribution/
Sewer Collection

DATE: October 6, 2020

SUBJECT: Fire Hydrant Flushing

Dear News Media:

Please be advised that the City will begin flushing fire hydrants and valve exercising program starting on October 13, 2020; this should last approximately ~~Four~~ (4) weeks.

Flushing will begin south of South Street, and we will work our way towards the North part of the City.

Advise citizens to make sure their water is clear before they wash any white clothing, as discoloration will be apparent; this is only temporary. Water will be safe to use at all times.
