In our commitment to the health & safety of our residents, we want to assist by ensuring that all residents have the utilities needed to practice recommended personal hygiene measures to prevent the spread of the COVID-19 virus. As part of the City's response, the Utility Department will suspend all residential shut-offs for non-payment until the beginning of May.

The City will continue to work with the Jackson County Health Department and County Officials.

Please refer to www.cdc.gov or coronavirus.ohio.gov for more information about the COVID-19 virus and best practices for staying healthy.

Randy Evans
Mayor
City of Jackson
