## Memorandum

Effective September 1, 2022

### City of Jackson Towing, Impounding and Retrieval of Vehicles, change in Fees

City impound lot will operate between 7am and 7pm, Monday – Friday

- Any request for release outside of normal hours will be assessed an “After Hour” fee.

Abnormal circumstances fees assessed will be the responsibility of vehicle redeemer in addition to regular fees.

All payments will be for exact amount owed.

**Towing fees:**

Under 10,000 lbs - \$125.00

Over 10,000 lbs - \$175.00

**Daily Storage** fee - \$15.00

**Administrative** fee - \$25.00

**After Hour Retrieval** fee - \$50.00

The change in rates reflect increases from current rates which were implemented in 2004 and have been problematic in some areas of service. The new rates remain well below maximum rates allowable by ORC.

Any impounded item before September 1, 2022, will continue to be charged by the rate at the time of the impound.
