RE: Ordinance Request

I am forwarding the appropriate paperwork to Jack Detty to prepare an Ordinance for the next City Council Meeting to move appropriations as follows:

FROM:

701-7510-54002	Water Fund: Equipment	(\$14,000.00)
----------------	-----------------------	---------------

TO:

701-7510-53037	Water Fund: Chemicals	\$14,000.00
----------------	-----------------------	-------------

These appropriations should be moved from the equipment line item to the chemicals line item due to earlier budgetary reductions that were made and a price change in chemicals.

This should be considered an emergency so that chemicals can be purchased to treat water for the remainder of the year.
