Hourly Fee Agreement

The City of Jackson, Ohio (hereinafter known as City) hereby requests the legal services of Cole, Kirby & Associates (hereinafter known collectively as Attorney) for legal services including prosecuting and defending suits, prosecuting violations of the City Codified Ordinances and criminal matters, preparing legislation and advising the City and its various supervisors and officers. If at any time, Attorney is unable, for any reason, to provide legal representation on any matter, Attorney will notify the City administration and assist, as appropriate, in locating separate counsel for that matter.

City shall pay Attorney for Legal services that will be billed on an hourly basis, with time being charged in tenths of an hour, at the rate of \$160.00 per hour. Attorney will use his discretion in staffing, to provide services in the most economical manner possible. Please note that all time spent on behalf of the City in this matter, including time spent in telephone conversations, will be charged. The initials of the person performing the services will be noted on the invoice.

In addition to fees for legal services, Attorney will be entitled to payment or reimbursement for costs and expenses incurred for services, including but not limited to: photocopying, messenger and delivery service, fees for computerized research services, travel (including mileage, parking, air fare, lodging, meals and ground transportation), depositions, court costs and filing fees. City agrees that City is responsible for such expenses relating to representation by this firm. Attorney is hereby authorized to charge such expenses and have such expenses billed to City and City agrees to pay them promptly. Unless other arrangements are made at the outset, fees and expenses of others will not be paid by Attorney and will be the responsibility of and billed directly to the City.

The City and Attorney agree there may be matters that Attorney cannot provide representation to the City. In such case, the City shall retain other counsel and pay that counsel pursuant to a separate agreement. Attorney maintains professional liability insurance. If it is determined that Attorney's policy of insurance does not cover claims made against Attorney by third parties, the City shall defend and hold Attorney harmless on said claims.

Invoices for legal services rendered and costs advanced or incurred are issued monthly and are payable upon receipt. Interest at the statutory rate will be added to the balance due on amounts that remain unpaid past 30 days or more.

Attorney reserves the right to withdraw from representation for any reason, including, among other things, City fails to honor the terms of this Fee Agreement by failing to pay Attorney's invoices, by failing to cooperate or follow Attorney's advice on a material matter, or if any fact or circumstance arises or is discovered that would, in Attorney's view, render our continuing representation unlawful or unethical.

The outcome of negotiations and litigation is subject to factors that cannot always be foreseen; therefore, it is understood that Attorney has made no promises or guarantees to City concerning the outcome of this representation and cannot do so. Nothing herein shall be construed as such a promise or guarantee.
