## Public Announcement

The City of Jackson would like to remind all citizens that all garbage placed curbside for pick up must be bagged or in a box that will be strong enough to withstand handling.

The City's Garbage crew's are experiencing many customers are leaving loose trash and cardboard out with regular trash. Residents need to make sure that all trash and small boxes are bagged. Smaller cardboard boxes should be broken down and placed in a larger box if available or bagged.

The City and our crews would like to thank everyone in advance for their cooperation in this effort.

If you have questions feel free to contact City of Jackson garbage department at 740-286-2923
