Jackson Curbside Recycling

Enhancing Recycling in Jackson

www.jacksonohio.us

www.rumpke.com

What You Can Recycle:

Mix all items together - no separation required.

Plastic Bottles #1-7

Cartons

Metal Cans

Glass Bottles & Jars
All colors, including clear.

Cardboard, Paperboard & Paper Products
Flatten cardboard to conserve space.

Recycling Tips:

- Please do not recycle plastic bags, medical sharps or needles.
- Pizza boxes may be recycled when free off grease and food debris.
- No need to remove labels or wash. Just empty and quickly rinse off food debris.

Unacceptable Items: Plastic bags, wrap, tubs, buckets & toys; plastic containers without a bottle neck; hazardous & flammable material; dishes, ceramics & window glass; metal hangers, wires, scrap; needles & medical sharps; electronics; car parts.

Recycling FAQ

What kind of plastics can be recycled? Why do they only take plastic bottles?

You can now recycle all plastic bottles & plastic jugs. Examples include beverage bottles, milk jugs, laundry detergent bottles, shampoo bottles, contact solution bottles. A plastic bottle or jug will have a bottle neck, and a larger base than mouth. Please empty, crush and reattach the plastic lid. Non-bottle plastics are not accepted in the program, no matter the number.

How does the new recycling program work? Why don't we have to separate items?

The new Jackson Program allows residents to mix all their recyclables in a single container. The City will collect the material curbside and deliver it to Rumpke for sorting and processing. Collecting mixed recycling, and sorting it post-collection is called single stream recycling.

The material is sorted at Rumpke's Columbus Recycling Facility. New recycling technologies allow Rumpke to sort the material. When the process is complete, single-item bales are sent to manufacturers to make new products. Single stream recycling increases the benefits of recycling and is an easy and convenient for participants. Visit www.rumpke.com to view a video of the recycling process, or to schedule a tour of the Columbus Recycling Facility.

What kind of glass can be recycled?

Rumpke accepts all glass bottles and jars from food and beverages (e.g. spaghetti/pickle jars and soda/beer bottles). Please do not recycle window glass, ceramics, glass cookware, glass cups or dishes.
